

BOSSY HOUR.

READY TO HOST?

DO YOU HAVE A SPACE THAT CAN HOST 15-25 PEOPLE?

If no, talk to us about joining up with another Bossy business to co-host a Bossy Hour!

SO WHAT'S THE DEAL?

We are so glad you asked! Our Bossy Hours are forum-based networking events that are open to members of our Bossy group. They are hosted from 6-8pm on a week night once a month.

There are three segments to each Bossy Hour;

1. Personal Promotion for you and your business
2. Networking
3. Topic Discussion with Q+A

WHAT'S IN IT FOR YOU?

As the host/co-host you are given time to showcase your business and what you've done in our community. This is a low-cost, targeted-marketing event for you and your business.

EXPECTATIONS

As the host, you provide a minimum of a veggie tray and water for attendees. You're absolutely not limited to this so have fun and be creative! Please make sure there are GF/V options.

You will need to provide a "talking stick" so have fun and give us something to talk about! (This can be anything from a business to personal object/product/picture/etc.)

Each participant, if able, sends the host \$5 to help cover your time!
